

Town of Windsor Youth Soccer Program

MISSION

The mission of the Town of Windsor Youth Soccer Program is to promote the teaching of soccer skills, fitness, and good sportsmanship. This program has been designed with the philosophy that youth sports should be structured with a child's best interest in mind, regardless of ability. We do this by giving all kids equal playing time and emphasizing good sportsmanship. Our program truly embraces the meaning of recreational soccer by practicing and playing games without the added pressure of record and scorekeeping. We do our best to reassure that kids associate soccer with having fun, in the hope that they will continue to play into their teen and adult years. We play age appropriate small-sided games using team and field sizes recommended by NYSWYSA.

HELP!

We currently have opportunities for Coaches, Assistant coaches, Booster Club, and Administration

PARENT'S OBLIGATION

Your registration fee will help pay for uniforms, referees, field maintenance and supplies. However, the league is only as good as the volunteers who take the time to help coach, maintain the fields, or assist with Booster Club activities. Please consider volunteering for one of these worthwhile functions.

Please do not leave your children at the fields for practices or games unattended. Coaches cannot be responsible for attending to the personal needs of your child while they are involved with running practices or games.

We have a zero tolerance for yelling, screaming and out-of control parents. Our referees and coaches do the best job they can and verbal abuse to them will not be tolerated.

EQUIPMENT

- Team Shirts and Socks will be provided.
- Players are responsible for their own shorts, shin guards, and footwear.
- Players are also responsible for bringing their own soccer balls and water bottles to practice.

Ball Sizes:

Kindergarten	Size 3	Grades 1 & 2	Size 3
Grades 3 & 4	Size 4	Grades 5 & 6	Size 5

- Balls and shin guards can be purchased at Dick's Sporting Goods or Al & Sherry's Sports Shop 1806 Vestal Parkway
- There may be some shin guards and soccer balls available for purchase at the Soccer Concession Stand
- There are used cleats available (for free) at the Soccer Concession Stand.

- **Practices Begin:** Week of August 8, 2010
- **First Game:** August 28, 2010
- **Opening Day / Picture Day** Saturday, September 11, 2010
- **3rd/4th and 5th/6th Grade Tournaments:** Saturday, October 23, 2010
- **End of Year Awards Ceremony:** Saturday, November 6, 2010

Find a Sponsor and Your Children Play for FREE!!!

The support of our area businesses has helped to provide a quality soccer program for the community youth. Your tax-deductible donation will help to purchase uniforms for the players and necessary equipment. Sponsor fees also provide funds for families with financial hardship to assure that all kids have the opportunity to play. We offer several different advertisement opportunities for various levels of sponsorship:

- **Team sponsor: \$200** Company name printed on T-shirt, Team Photo for your company, and an advertising listing on the sponsor page of the website.
- **Club Sponsor: \$500** Company name printed on T-shirt, Team Photo for your company, an advertising logo on the home page and the sponsor page of the website.

MAKING OUR COMMUNITY STRONGER!

Many coaches, parents & volunteers give endless energy and time in making our league a success for the youth of Windsor. Our league needs the help of everyone to continue to be such an enriching place for our children to be playing.

On behalf of the Windsor Youth Board and the Windsor Youth Soccer Booster Club, we would like to ask that everyone please do their best to help us. Our town has wonderful programs that include hundreds of children in our community. The Booster Club activities also help support these programs. In continuing with this great tradition, let's all pull together, enjoy our children, our activities and our community and make this another excellent soccer season!
